Dear Hiring Manager,

I am very interested in the open position for a Full Stack Software Developer at Mapline. As my resume shows, I recently graduated with honors from DevMountain Coding School, having earned my Full-Stack Web Development Certificate. I am eager to start my career and would be privileged to do so with an amazing company like Mapline. My passion and drive to excel in this field is my highest priority.

I enjoy finding creative solutions to problems and devising original and innovative processes to improve efficiency. I pride myself on being a positive and highly coachable team player. I excel in a workplace that promotes a culture of consensus-driven and high-energy collaboration. My personal and professional goals inspire me to have a strong work ethic and help me to be a loyal and dependable employee. I have an artistic eye and have cultivated talents in layout design, web development and programming through diverse experiences.

I am confident that my creative talents and integrity will prove to be valuable resources for Mapline. I look forward to contributing to the success and growth of the company long term. I would very much appreciate the opportunity to interview so that we can further discuss my resume. Thank you in advance for your consideration.

Sincerely,

Austin R. Carly
